SUMATRA

The twin lounge Sumatra is an amazing hot tub, creating the perfect setting to relax with family and friends.

With one of the double loungers being slightly shorter; those of us not blessed with height won't go floating off, while the taller among us can enjoy the longer lounge!

The deep corner seat & 2 additional seats round the total up to 5 different relaxing massage experiences.

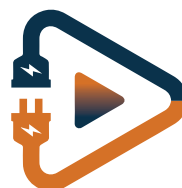

Tri Fountains

This gorgeous waterfall feature consists of 3 independent fountains all of which can be fully adjusted to regulate the water flow.

LED Lighting

Add an enchanting glow to your spa water with the integrated multi-coloured LED lights.

Plug and Play System

It may only require a 13amp power supply, but the Sumatra doesn't compromise on features. This cost-saving option allows you to connect the hot tub to an existing waterproof outdoor socket. Please check suitability with your electrician.
