ATAURO

The Atauro is a family-size hot tub designed to provide the perfect balance between relaxation and rejuvenation. It offers an ideal choice for customers seeking a medium sized hot tub without compromising on features.

With contoured multi-level seating suitable for up to 6 people the Atauro will provide all the family with relaxing experience. A great place to catch-up with all the news from family and friends whilst also reaping the health benefits of a therapeutic massage.

Heat Pump Ready

The Atauro hot tub is heat pump ready. This means that connecting a heat pump is super easy. No extra work needed, all the plumbing is already inside the cabinet.

Cascade Waterfall

A 20cm wide waterfall feature, with fully adjustable water control adding a beautiful, soothing touch to your hot tub.

Exterior LED Lighting

Modern looking exterior panel lighting is certain to impress. The multicoloured LED lights bars are synchronised with the interior lights to create a stunning effect.
